Rural DOES Matter – Our Reality

2012 WADHSAA Conference Member Benefits
Monday May 30th – Friday June 1st
Burswood Convention Centre

Rural School Administrators are invited to the 2012 annual WADHSAA Conference.

Over 3 days, the conference will focus on *Our Reality* (day 1), *Rural Does Matter* (day 2) and *Rural Futures* (day 3).

This is an important conference and to support our conference theme **Rural DOES Matter – Our Reality,** WADHSAA members are offered significant support to attend.

WADHSAA Member benefits include:

- Accommodation rates are discounted by $100 per night
- Conference package is discounted $50 for members
- Conference dinner is discounted by $50
- Reimbursement of parking fees of $16 per night for parking at Burswood
- Travel subsidies of 75% of kilometrege rate and 50% airfare costs
- Members who choose to stay privately will be paid the private accommodation award rate of $83.90 per night for up to 3 nights.

This level of support for members reflects our belief in the importance of this conference and WADHSAA's desire to make the conference accessible by minimizing the costs associated with being rural.

If you are a rural school administrator, please give our 2012 WADHSAA Conference careful consideration. Not only will you benefit from participation but you will also contribute to recommendations that will be presented to decision makers and Government to ensure rural school administrators have a voice in the future of rural school education.

Presenter details and registration information will follow shortly.
